Re: Launch of New Website [www.cityrepair.org/bikeworks](http://www.cityrepair.org/bikeworks)

North Portland Bike Works is a collectively run non-profit, neighborhood learning center that provides information, resources and skill-sharing programs.

We offer Low cost bike repair with skilled mechanics who are knowledgeable in bike maintenance and repair and the issues concerning community development.

Workshop space and tool rentals are available and we also offer low cost accessories.

We are excited about launching our website [www.cityrepair.org/bikeworks](http://www.cityrepair.org/bikeworks) where you can find information about our weekly programs, and monthly schedule including workshops that will address such topics as safety, thrifty repair, trailer building and more.

Programs also include:

- Women Only Night
- Bike To School Program
- Resource Library
- Earn-A-Bike
- Apprentice Program

We would appreciate any publicity you can offer in the way of community calendar postings or press release support.

Kind Regards, North Portland Bike Works
